## Landscape Roses

### Floribunda, Shrub, Rugosa

This category combines Floribunda, Shrub, and Rugosa roses to create a simplified list for you to color your landscape with winter hardy, lowered maintenance, disease resistant roses with early and quick repeating color all season. These roses are all-season flowering shrubs with blooms in clusters of small to large flowers, single to double form. Floribunda are usually grafted, some on own root stock. Shrub and Rugosa are usually on own root stock. Growth habits include ground cover, low to medium, and tall as described. Enjoy!!

(† Denotes own root)

## RED

**BLACK CHERRY™†**, Floribunda. Dusky red blooms with damask fragrance. Medium bush with glossy foliage..... 22.99

## Presenting Our 70<sup>th</sup> Anniversary Rose Special

**The Peace Rose** The most famous rose, introduced after World War II when the whole world looked hopefully to the future. This rose set the standards for all other roses of the 20th century. Very large and full blooms in lemon and pink blend, mild fruity fragrance. AARS winner 1946. **Now only \$12.99**

#3 CONTAINER HAND POTTED

*Oakland Nurseries Also Present*

**The Knock Out<sup>®</sup> Rose Family value priced at \$19.99 ea. #3 container**

**Knock Out<sup>®</sup> Rose**

2000 AARS winner and most widely sold rose in America for proven performance, consistent cherry red blooms, hardy, carefree, black spot resistant.

**Sunny Knock Out<sup>®</sup> Rose**

Newest member to join the Knock Out<sup>®</sup> family from Bill Radler's breeding program with bright yellow single blooms which turn cream white. Disease resistance to match the original Knock Out<sup>®</sup> Rose.

**Double Knock Out<sup>®</sup> Rose**

Seedling of the famous Knock Out<sup>®</sup> with all its easy-to-grow, blackspot resistant, floriferous qualities, but with double, more "true rose" blooms in cherry to light red.

**Blushing Knock Out<sup>®</sup> Rose**

A natural sport of Knock Out<sup>®</sup> with all its parent's virtues. Free-flowering, low care, and black spot resistant with soft pink single blooms.

**Pink Knock Out<sup>®</sup> Rose**

All season bursts of bright pink flowers on a carefree black spot resistant landscape shrub like its parent, Knock Out<sup>®</sup> Rose.

**Pink Double Knock Out<sup>®</sup> Rose**

Fluorescent double pink blooms in generous displays. Winter hardy, disease resistant, and carefree like its parent, the Double Knock Out<sup>®</sup>, with compact rounded growth.
