

Water Gardening

Whatever the size of your garden, there is no more efficient way to add tranquility and magic than with a water feature. We'll help you decide how to bring the best effect to your home.

For your pond maintenance and supplies needs, we offer pumps, filters, chemicals, lighting, aquatic soils and pots, liner and more.

We also offer over 50 varieties of water plants including oxygenators, floaters, hardy and tropical waterlilies, and annual and perennial water plants.
